

Welcome to San Francisco Scuba Schools!

Thank you for choosing San Francisco Scuba Schools for your dive training! Please read through the following for information on registration requirements, what to bring to your class, and cancellation policies.

REGISTRATION:

Please complete and return the Student Registration Form and all PADI Forms (Liability Release, Statement of Understanding, and Medical Statement) as soon as possible. Your reservation in our program will not be confirmed until all registration forms and payment have been received. All completed registration forms are required before you can participate in your scheduled course.

The PADI Medical Statement has a medical questionnaire. Please write "YES" or "NO" next to each condition ("Y", "N", or blanks are not accepted). If you can answer "NO" to all questions, you do not need to consult a physician prior to dive training. If it is necessary for you to answer "YES" to any question, it is required that you get your physician's written authorization to dive on the "Physician's Impression" segment of the form, prior to your training. **WE MAKE NO EXCEPTIONS TO THIS STANDARD.** If you need to consult with a physician, please contact us for the medical forms, and send us copies of all other registration forms anyway. You can then supply us with the physician's authorization at any time prior to the start of your training.

Email forms to info@sfscubaschools.com.

In signing, you agree to the terms stated herein, and accept full financial responsibility for this program. Understand that because of space limitations and instructor and facility commitments, that registration and tuition are due immediately.

SCHEDULE YOUR CLASS:

After your payment is received, you will receive a temporary username and password to login to our scheduling system at <http://www.timecenter.com/sfss>.

- For REFERRAL, please choose a 'Pool Session'. Pool sessions must be in the same week.
- For NON-REFERRAL, please choose a 'Pool Session' and a '2 Day Ocean Session'. Pool sessions must be within the same week.
- For those who are signing up multiple people, you have the ability to choose however many spaces per date you need to accommodate the amount of people in your group.

PADI eLearning:

You will receive a code from PADI to redeem your eLearning course. Please follow the steps provided by PADI. All eLearning must be completed before your first pool session or you will not be able to participate. Allow 8-12 hours to complete your eLearning,

POOL SESSIONS:

The classroom and pool are located at Anderson's, 541 Oceana Blvd., Pacifica, CA 94044. Weekday classes start on time at 6PM, and will end at or by 10PM.

You will need to bring your PADI eLearning printout, original registration forms, swimsuit and a towel (please see POOL SESSION – Information and Checklist below). You will receive information about your referral or ocean session at the pool.

REFUND AND RESCHEDULING POLICY:

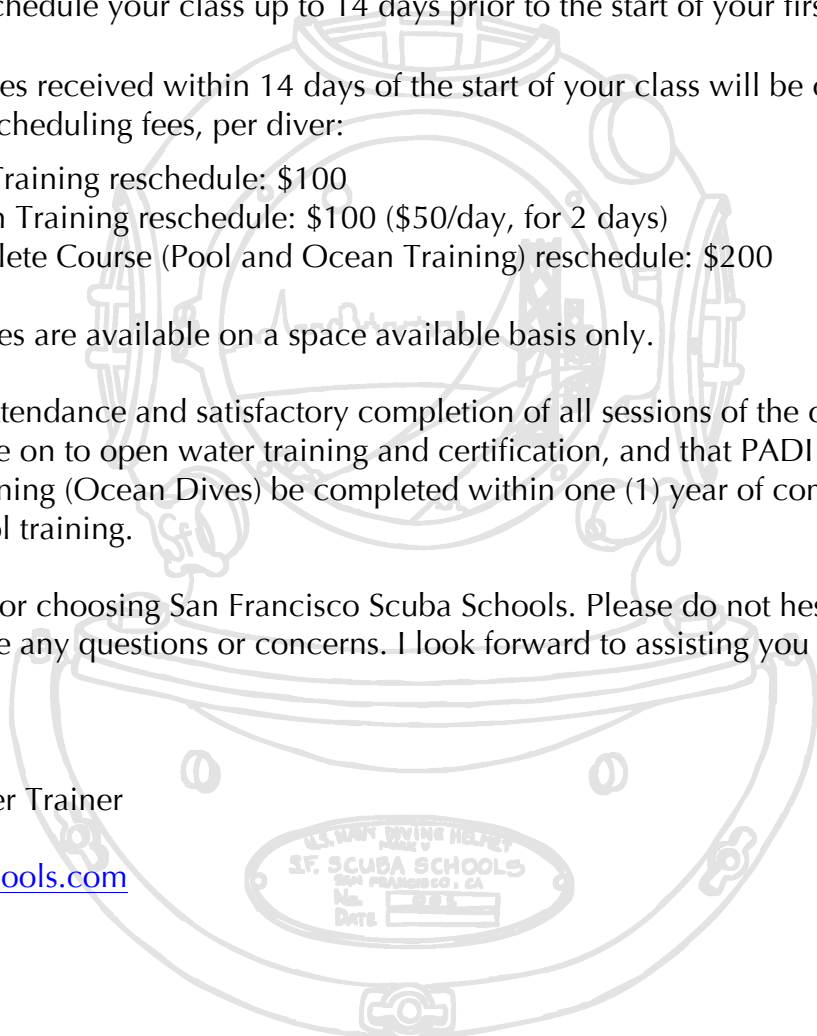

- All course fees are non-refundable.
- You may reschedule your class up to 14 days prior to the start of your first class at no charge.
- All reschedules received within 14 days of the start of your class will be charged the following rescheduling fees, per diver:
 - Pool Training reschedule: \$100
 - Ocean Training reschedule: \$100 (\$50/day, for 2 days)
 - Complete Course (Pool and Ocean Training) reschedule: \$200

Rescheduled classes are available on a space available basis only.

Understand that attendance and satisfactory completion of all sessions of the course is required to be eligible to move on to open water training and certification, and that PADI standards require that the ocean training (Ocean Dives) be completed within one (1) year of completing the academic and pool training.

Again, thank you for choosing San Francisco Scuba Schools. Please do not hesitate to contact me directly if you have any questions or concerns. I look forward to assisting you in your training.

Sincerely,
Rob Haas
Master Scuba Diver Trainer

SF Scuba Schools Student Registration Form

Name: _____ Date of Birth: _____

Month/Day/Year

Address: _____

City: _____ State: _____ Zip: _____

Home Phone: _____ Work: _____

Cell Phone: _____

Email: _____ Text

Height: _____ Weight: _____ Shoe Size: _____ Female Male

Pool Dates: _____ Ocean Dates: _____

In signing, I agree to the terms stated herein, and accept full financial responsibility for this program. I understand that because of space limitations and instructor and facility commitments, that registration and tuition fees are due at time of registration.

Refund and Rescheduling Policy:

- All course fees are non-refundable.
- You may reschedule your class up to 14 days prior to the start of your first class at no charge.
- All reschedules received within 14 days of the start of your class will be charged the following rescheduling fees, per diver:
 - Pool Training reschedule: \$100
 - Ocean Training reschedule: \$100 (\$50/day, for 2 days)
 - Complete Course (Pool and Ocean Training) reschedule: \$200

Rescheduled classes are available on a space available basis only.

I understand that attendance and satisfactory completion of all sessions of the course is required for me to be eligible to move on to open water training and certification, and that PADI standards require that the ocean training (Ocean Dives) be completed within one (1) year of completing the academic and pool training.

In signing I submit that I have read, understand, and agree to the above outlined policies.

Student Signature: _____ **Date:** / /

Parent Signature: _____ **Date:** / /

(If Student is under 18 years of age.)

Non-Agency Disclosure and Acknowledgment Agreement

In European Union and European Free Trade Association countries use alternative form.

Please read carefully and fill in all blanks before signing.

I understand and agree that PADI Members ("Members"), including SF SCUBA SCHOOLS and/or any individual PADI Instructors and Divemasters associated with the program in which I am participating, are licensed to use various PADI Trademarks and to conduct PADI training, but are not agents, employees or franchisees of PADI Americas, Inc, or its parent, subsidiary and affiliated corporations ("PADI"). I further understand that Member business activities are independent, and are neither owned nor operated by PADI, and that while PADI establishes the standards for PADI diver training programs, it is not responsible for, nor does it have the right to control, the operation of the Members' business activities and the day-to day conduct of PADI programs and supervision of divers by the Members or their associated staff. I further understand and agree on behalf of myself, my heirs and my estate that in the event of an injury or death during this activity, neither I nor my estate shall seek to hold PADI liable for the actions, inactions or negligence of SF SCUBA SCHOOLS resort and/or the instructors and divemasters associated with the activity.

Liability Release and Assumption of Risk Agreement

In European Union and European Free Trade Association countries use alternative form.

Please read carefully and fill in all blanks before signing.

I, Participant Name, hereby affirm that I am aware that skin and scuba diving have inherent risks which may result in serious injury or death.

I understand that diving with compressed air involves certain inherent risks; including but not limited to decompression sickness, embolism or other hyperbaric/air expansion injury that require treatment in a recompression chamber. I further understand that the open water diving trips which are necessary for training and for certification may be conducted at a site that is remote, either by time or distance or both, from such a recompression chamber. I still choose to proceed with such instructional dives in spite of the possible absence of a recompression chamber in proximity to the dive site.

I understand and agree that neither my instructor(s), _____, the facility through which I receive my instruction, _____, nor PADI Americas, Inc., nor its affiliate and subsidiary corporations, nor any of their respective employees, officers, agents, contractors or assigns (hereinafter referred to as "Released Parties") may be held liable or responsible in any way for any injury, death or other damages to me, my family, estate, heirs or assigns that may occur as a result of my participation in this diving program or as a result of the negligence of any party, including the Released Parties, whether passive or active.

In consideration of being allowed to participate in this course (and optional Adventure Dive), hereinafter referred to as "program," I hereby personally assume all risks of this program, whether foreseen or unforeseen, that may befall me while I am a participant in this program including, but not limited to, the academics, confined water and/or open water activities.

I further release, exempt and hold harmless said program and Released Parties from any claim or lawsuit by me, my family, estate, heirs or assigns, arising out of my enrollment and participation in this program including both claims arising during the program or after I receive my certification.

I HAVE FULLY INFORMED MYSELF AND MY HEIRS OF THE CONTENTS OF THIS NON-AGENCY DISCLOSURE AND ACKNOWLEDGEMENT AGREEMENT AND LIABILITY RELEASE AND ASSUMPTION OF RISK AGREEMENT BY READING BOTH BEFORE SIGNING BELOW ON BEHALF OF MYSELF AND MY HEIRS.

I also understand that skin diving and scuba diving are physically strenuous activities and that I will be exerting myself during this program, and that if I am injured as a result of heart attack, panic, hyperventilation, drowning or any other cause, that I expressly assume the risk of said injuries and that I will not hold the Released Parties responsible for the same.

I further state that I am of lawful age and legally competent to sign this liability release, or that I have acquired the written consent of my parent or guardian. I understand the terms herein are contractual and not a mere recital, and that I have signed this Agreement of my own free act and with the knowledge that I hereby agree to waive my legal rights. I further agree that if any provision of this Agreement is found to be unenforceable or invalid, that provision shall be severed from this Agreement. The remainder of this Agreement will then be construed as though the unenforceable provision had never been contained herein.

I understand and agree that I am not only giving up my right to sue the Released Parties but also any rights my heirs, assigns, or beneficiaries may have to sue the Released Parties resulting from my death. I further represent I have the authority to do so and that my heirs, assigns, or beneficiaries will be estopped from claiming otherwise because of my representations to the Released Parties.

I, Participant Name, BY THIS INSTRUMENT AGREE TO EXEMPT AND RELEASE MY INSTRUCTORS, _____, THE FACILITY THROUGH WHICH I RECEIVE MY INSTRUCTION, _____, AND PADI AMERICAS, INC., AND ALL RELATED ENTITIES AS DEFINED ABOVE, FROM ALL LIABILITY OR RESPONSIBILITY WHATSOEVER FOR PERSONAL INJURY, PROPERTY DAMAGE OR WRONGFUL DEATH HOWEVER CAUSED, INCLUDING, BUT NOT LIMITED TO, THE NEGLIGENCE OF THE RELEASED PARTIES, WHETHER PASSIVE OR ACTIVE.

Participant's Signature Date (Day / Month / Year)

Signature of Parent or Guardian (where applicable) Date (Day / Month / Year)

Standard Safe Diving Practices Statement of Understanding

Please read carefully before signing.

This is a statement in which you are informed of the established safe diving practices for skin and scuba diving. These practices have been compiled for your review and acknowledgement and are intended to increase your comfort and safety in diving. Your signature on this statement is required as proof that you are aware of these safe diving practices. Read and discuss the statement prior to signing it. If you are a minor, this form must also be signed by a parent or guardian.

I, _____ (Print Name), understand that as a diver I should:

1. Maintain good mental and physical fitness for diving. Avoid being under the influence of alcohol or dangerous drugs when diving. Keep proficient in diving skills, striving to increase them through continuing education and reviewing them in controlled conditions after a period of diving inactivity, and refer to my course materials to stay current and refresh myself on important information.
2. Be familiar with my dive sites. If not, obtain a formal diving orientation from a knowledgeable, local source. If diving conditions are worse than those in which I am experienced, postpone diving or select an alternate site with better conditions. Engage only in diving activities consistent with my training and experience. Do not engage in cave or technical diving unless specifically trained to do so.
3. Use complete, well-maintained, reliable equipment with which I am familiar; and inspect it for correct fit and function prior to each dive. Have a buoyancy control device, low-pressure buoyancy control inflation system, submersible pressure gauge and alternate air source and dive planning/monitoring device (dive computer, RDP/dive tables—whichever you are trained to use) when scuba diving. Deny use of my equipment to uncertified divers.
4. Listen carefully to dive briefings and directions and respect the advice of those supervising my diving activities. Recognize that additional training is recommended for participation in specialty diving activities, in other geographic areas and after periods of inactivity that exceed six months.
5. Adhere to the buddy system throughout every dive. Plan dives – including communications, procedures for reuniting in case of separation and emergency procedures – with my buddy.
6. Be proficient in dive planning (dive computer or dive table use). Make all dives no decompression dives and allow a margin of safety. Have a means to monitor depth and time underwater. Limit maximum depth to my level of training and experience. Ascend at a rate of not more than 18 metres/60 feet per minute. Be a SAFE diver – **Slowly Ascend From Every** dive. Make a safety stop as an added precaution, usually at 5 metres/15 feet for three minutes or longer.
7. Maintain proper buoyancy. Adjust weighting at the surface for neutral buoyancy with no air in my buoyancy control device. Maintain neutral buoyancy while underwater. Be buoyant for surface swimming and resting. Have weights clear for easy removal, and establish buoyancy when in distress while diving. Carry at least one surface signaling device (such as signal tube, whistle, mirror).
8. Breathe properly for diving. Never breath-hold or skip-breathe when breathing compressed air, and avoid excessive hyperventilation when breath-hold diving. Avoid overexertion while in and underwater and dive within my limitations.
9. Use a boat, float or other surface support station, whenever feasible.
10. Know and obey local dive laws and regulations, including fish and game and dive flag laws.

I understand the importance and purposes of these established practices. I recognize they are for my own safety and well-being, and that failure to adhere to them can place me in jeopardy when diving.

Medical Statement Participant Record (Confidential Information)

Please read carefully before signing.

This is a statement in which you are informed of some potential risks involved in scuba diving and of the conduct required of you during the scuba training program. Your signature on this statement is required for you to participate in the scuba training program. In addition, if your medical condition changes at any time during your scuba programs it is important that you inform your instructor immediately.

Read this statement prior to signing it. You must complete this Medical Statement, which includes the medical questionnaire section, to enroll in the scuba training program. If you are a minor, you must have this Statement signed by a parent or guardian. Diving is an exciting and demanding activity. When performed correctly, applying correct techniques, it is relatively safe. When established safety procedures are not followed, however, there are increased risks.

To scuba dive safely, you should not be extremely overweight or out of condition. Diving can be strenuous under certain conditions. Your respiratory and

circulatory systems must be in good health. All body air spaces must be normal and healthy. A person with coronary disease, a current cold or congestion, epilepsy, a severe medical problem or who is under the influence of alcohol or drugs should not dive. If you have asthma, heart disease, other chronic medical conditions or you are taking medications on a regular basis, you should consult your doctor and the instructor before participating in this program, and on a regular basis thereafter upon completion. You will also learn from the instructor the important safety rules regarding breathing and equalization while scuba diving. Improper use of scuba equipment can result in serious injury. You must be thoroughly instructed in its use under direct supervision of a qualified instructor to use it safely.

If you have any additional questions regarding this Medical Statement or the Medical Questionnaire section, review them with your instructor before signing.

Divers Medical Questionnaire

To the Participant:

The purpose of this Medical Questionnaire is to find out if you should be examined by your doctor before participating in recreational diver training. A positive response to a question does not necessarily disqualify you from diving. A positive response means that there is a preexisting condition that may affect your safety while diving and you must seek the advice of your physician prior to engaging in dive activities.

Please answer the following questions on your past or present medical history with a YES or NO. If you are not sure, answer YES. If any of these items apply to you, we must request that you consult with a physician prior to participating in scuba diving. Your instructor will supply you with an RSTC Medical Statement and Guidelines for Recreational Scuba Diver's Physical Examination to take to your physician.
